

**1. Chemical Product and Contact Information**

**Product Name:** Build-It® Core Forms  
**Material Safety Sheet Number:** 00079  
**Date of Issue:** 02/16/00  
**Revision Date:** 11/12/09  
**Company Identification:** Pentron Clinical  
 1717 West Collins Ave.  
 Orange, CA 92867  
 Phone: 800-551-0283  
 203-265-7397

**Emergency Information Chemtrec:** 800-424-9300  
**Chemtrec International:** 202-483-7616

**2. Composition/Information on Ingredients**

**Chemical characteristics:** Polyether/carbonate/urethane.  
**Description:** Core build-up caps.  
**Hazardous components:**

Element	CAS #	Exposure Limit mg/m <sup>3</sup>	
		OSHA PEL	ACGIH TLV
Polyether/carbonate/urethane.	Unknown	Unknown	Unknown

**3. Hazard Identification**

**Risk identification:** Not applicable.  
**Special risks for human beings and environment:** Not applicable.  
**Classification:** Not applicable.

**4. First Aid Measures**

**General information:** Not applicable.  
**After skin contact:** Not applicable.  
**After eye contact:** Not applicable.  
**After swallowing:** Not applicable.

**5. Fire Fighting Measures**

**Extinguishing media:** Not applicable.  
**Protective equipment:** Not applicable.

**6. Accidental Release Measures**

**Personal precautions:** Not applicable.  
**Environmental precautions:** Not applicable.  
**Methods for cleaning up:** Not applicable.  
**Additional information:** Not applicable.

**7. Handling and Storage**

**Handling:** No special requirements.  
**Handling procedures:** Avoid direct contact.

### **8. Exposure Controls/Personal Protection**

Additional information:

Personal protective equipment:

General measure of protection and hygiene: Follow safe practices.

Respiration: Not required.

Hands: Gloves.

Eyes: Goggles recommended.

### **9. Physical and Chemical Properties**

Appearance:	Form:	Preformed caps.
	Color:	Transparent.
	Odor:	None.

Information on change in the physical state

Melting point/melting range: Not applicable.

Boiling point/boiling range: Not applicable.

Flash point: Not applicable.

Autoignition temperature: Not applicable.

Danger of explosion: Not applicable.

Density: Not applicable.

Vapor pressure: Not applicable.

Viscosity: Not applicable.

pH: Not applicable.

Solubility in/miscibility with: Insoluble.

Water: Not applicable.

Content of solvents: Not applicable.

Organic solvents: Not applicable.

Water: Not applicable.

Content of solids: Not applicable.

### **10. Stability and Reactivity**

Incompatibility with other substances: Stable

Hazardous decomposition products: None known.

### **11. Toxicological Information**

Acute toxicity: None known.

Primary irritation: None known.

Skin: None known.

Eye: None known.

Sensitization of product: None known.

Additional toxicological information: None known.

### **12. Ecological Information**

General information: None known.

Classification of water endangment: None known.

### **13. Disposal Considerations**

Disposal consideration: Follow Federal, State and local regulations for disposal method.

### **14. Transport Information**

Not applicable.

### **15. Regulatory Information**

Classification according to EEC guidelines: Not applicable.

National Prescriptions: Not applicable.

Classification according to VfF: Not applicable.

### **16. Other Information**

The information and recommendations set forth herein (hereinafter "information") are presented in good faith and believed to be correct as of the date hereof. Pentron Clinical however, makes no representations as to the completeness or accuracy of this information and supplies it on the condition that the persons receiving same will make their own determination as to its suitability for their purposes prior to use. In no event will Pentron Clinical be responsible for damages of any nature whatsoever resulting from the use of or reliance upon information.
